Date St Margaret Mary's 3<sup>rd</sup> March 2022

## Hi Everyone,

**Big Art Week and Big Art Comp – beginning 7 March 2022**

This year we are back and bigger than ever and we will be asking children to create an artwork that answers the question “**what does belonging mean to you?**”. Plus, we are planning a whole week of creative experiences and getting children excited about their submissions.

The Big Art Comp runs from 7 – 20 March and the Big Art Week runs from 14 – 18 March.

Children need plenty of opportunities for creative play and creative thinking. We start by providing activities that are based on the children's interests and ideas. Being creative is more than drawing or painting, there is also photography, music, working with wire, clay, paper, wood, water, and shadows, the possibilities are endless. Creativity is the freest form of self-expression and the ability to be creative, to create something from personal feelings and experiences, can reflect and nurture children's emotional health. Creative activities acknowledge and celebrate children's uniqueness and diversity.

The children have been exploring on how to tell the time.

We have been cooking amazing cakes, biscuits, banana bread, and yummy pizzas, the children have been learning and using good hygiene habits.

Please phone Camp Australia 1300-105-343 for bookings, rebates will apply.
