Hi Everyone,

Our BIG ART WEEK was amazing, and we extended it for another week. With the children using their creative thinking and our program providing lots of fun activities. The children engaged in sensory play with finger painting, magic sand, and handprint painting. We did some creative cooking using recipes from our Healthy OSHC cookbook. Alexis made a Bunny cake and Apuk and Audrey did cold rolls. Lego creations was a popular activity using their imaginations and working together to create amazing structures. We focus on using recycled materials and out of the recycled paper, the children created lady bugs and Alex created a large Giraffe out of recycled boxes.
