Hi Everyone

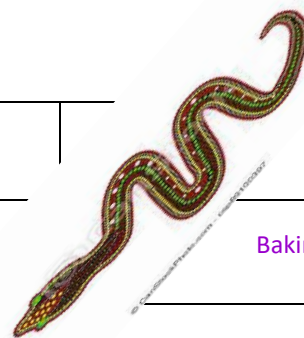

Its **National Reconciliation Week** and the children will be coming together and sharing their history, culture, and achievements. We have painted the Aboriginal and Torres Strait Islander Flags, which are displayed in our OSHC room. The children can't wait to cook Witchery Grub Biscuits and make Damper. We will be doing lots of art & crafts and the children like to use their imaginations and creativity.

Our Handball Championships was so much fun, and all the children enjoyed the experience. We would like to congratulate the winners, **Audrey Deng & Amay Krishna**, well done and a great achievement. We would like to wish them all the best in the National Championships in June.

Monday	Painting an Aboriginal and Torres Strait Flag
Tuesday	Baking Bush Bread Damper, Painting a Rainbow Serpent

The Police

visited us on Thursday the 19th of May 😊

The police talked about their jobs, and the children asked lots of questions.

They were shown what was in the police car and even got to put the lights & sirens on. This was a great experience had by all.
