Hi Everyone

It's been a busy term 3 and this week we are focusing on **SPRINGTIME**, the children have programmed amazing flower crowns, paper plate bees, butterfly squish painting and using their hands to create a lovely handprint pedal picture. All the children enjoy celebrating spring and the beautiful blossoms and flowers that come alive.

Anyiel Planted carrots in our OSHC garden and waters them each week, the children are excited seeing them grow and eventually enjoy them in our cooking and afternoon teas.

We have focused on healthy eating and the children really like to cook. We made healthy Asian stir fry's, Cold Rolls, Banana Bread, Cheesy Nan Bread, Pizza's and fruit smoothies.

Book week was so much fun, we dressed up as our favorite book characters, made comics, and enjoyed story telling.

Pupil free day was filled with laughter, we enjoyed face painting, cooking, Art & crafts and painting.
